Dear Ashleigh:

I was pleased to hear that you are being recognized by the Ontario Association of Parents in Catholic Education with the OAPCE Honourary Lifetime Award.

The recognition is well deserved for your commitment to the Down Syndrome Association and for advocating on behalf of our TCDSB students with special needs.

You have been tireless in your efforts to ensure that all students are given the tools and the support that they need for personal growth and academic success. The work that you do on behalf of our students and their families is commendable.

We are so immensely proud of the fine work of our Special Education Advisory Committee, and we truly value their commitment to our Mission and Vision. We know that the education of children is a monumental task, and one which can only be accomplished through the partnership of parents, parishes, schools and other caring community members working together for a common goal.

On behalf of the Toronto Catholic District School Board I thank you for your dedication and congratulate you on this latest accomplishment.

Sincerely,
